

Overbrook Elementary Student & Parent Handbook

DREAM IT! BELIEVE IT! ACHIEVE IT!

Website: <http://overbrook.kana.k12.wv.us>

What The Wildcats Believe!

This iBook was developed by Overbrook Elementary staff members for your reading pleasure and information. Please take some time to review the practices and policies included in this book so you are well informed about daily operations here at Overbrook Elementary. This book applies to students of Overbrook Elementary only, however Overbrook Elementary does follow all Kanawha County School policies and regulations. Please also refer to your Kanawha County Schools 2016-2017 School Handbook that is sent home at the beginning of the school year.

Our **mission** at Overbrook Elementary is to build tomorrow's productive citizens by providing maximum opportunities for education, cultural, social, and technological growth. This is accomplished through joint efforts of the principal, teachers, staff, parents, business partners, and most importantly, the students.

Our **vision statement** at Overbrook Elementary is: Dream It! Believe It! Achieve It!

Our **core beliefs** at Overbrook Elementary:

All students can achieve.

Good teaching matters.

Strong leadership is essential for success.

Parents and Community are partners in learning.

Our school is a safe and caring place.

Arrival, Dismissal, Attendance, and Tardies.

Becky Stephen – Specialist
Sara Fragale – Psychologist
Sarah Black – OT
Deborah Frederick - ESL

Arrival, Dismissal, & Attendance.

DAILY SCHEDULE

7:30 – Students may be dropped off

7:30 – Breakfast available

7:50 – Students are dismissed to their homeroom

8:05 – Instruction begins

10:45-11:15 – 2nd grade lunch

10:50-11:20 – 4th grade lunch

11:25 – 11:55 – kindergarten lunch

11:30 – 12:00 – 5th lunch

12:05- 12:35 – 3rd grade lunch

12:10- 12:40 – 1st grade lunch

2:30 – Bus students are dismissed

2:35 – Third Base, walkers and car riders are dismissed.

Arrival Notes:

*Please note that students may not be dropped off before 7:30. Overbrook staff will not be present until 7:30 to provide supervision.

* If you must drive your student to school, use the main parking lot loop to drop off your student. A staff member will be in the parking lot to help your child out of the car and to cross the lot safely.

*Maintain 2 lanes in the drop off loop to help keep traffic flowing during drop off and pick up.

* **Please do not stop on Oakwood Rd** to drop off in the morning. This contributes to traffic congestion on an already busy road.

* Maintain the 15 mph school zone speed limit.

* When walking students to school please plan your arrival for between 7:30 am and 8:00 am so that students may cross the road under the supervision of our crossing guard. If no guard is present please walk students across Oakwood Road.

*If you arrive after 8:05 you must walk in with your student and sign them in while the student is given a tardy slip to take to their homeroom teacher.

Dismissal Notes:

***Cars may not be on the school parking lot for pick up until after all buses and day care vans have left the lot. Teachers with bus duty are instructed to re-direct cars off of the lot that arrive too early. Buses are typically gone by 2:35.**

* Students that are picked up in the car line will be excused from the main entrance after the buses leave the lot. A staff member will verify that your child is matched to you before putting him/her into the automobile.

* **Parents that walk their children home may wait at the door facing Oakwood Rd.**

* **Please note that if your child is more than 15 minutes late being picked up, and no one has notified the school, then local law enforcement will be notified.**

* Overbrook's crossing guard is on duty from 7:30 am-8:05 am and 2:10 pm – 2:45 pm.

* Students will be released to authorized adults only.

A note from the parent/guardian is required any time the child needs to have a change of dismissal procedure. If the student is going home with another student, then a note from that student's family will also need to be sent.

Under state code, students in WV are permitted to walk home from school. This practice is discouraged; however, it is an option. If you wish for your child to walk home from school as their regular mode of dismissal, please fill out the "Permission to Walk Home from School" form distributed at the beginning of the year. This form is for students who walk all the way home. It is not intended for permission to leave the classroom to get into a vehicle.

Bus Transportation Student Identification Tags:

Kanawha County Schools' policy regarding the bus transportation arrangements for students in kindergarten through second grade requires that those students wear an Identification tag while being transported to and from school on school buses.

Parents of students enrolled in kindergarten through second grades will receive a "Transportation Services Program" enrollment form from Pupil Transportation asking that you determine whether or not your child is given parental permission to be let off the school bus at the bus stop without the parent or a designated adult present at the bus stop.

If you stipulate that you or a designee must be present at the bus, and you or the designee are not present when the bus arrives, the child will be returned to the school or taken to the bus garage pending notification that you must come to pick them up.

Early Dismissal:

One day per month there is a 2-hour early dismissal for teacher staff development trainings. On those scheduled days (see KCS calendar) students will be dismissed at 12:30. If your child's form of transportation must change on a 2-hour early dismissal day, you must provide a note stating what your child is expected to do. Third Base will be provided on the scheduled 2-hour early dismissal days.

Emergency Early Dismissal:

The automated WARN system will call you to let you know that school is being dismissed early due to an emergency (inclement weather, etc.). It is important to inform us if you have changes in your phone numbers throughout the year. Please listen to the radio or television for specific information. It is essential that other arrangements be made for these days and please be prompt in doing so. We would like to suggest that your child have a neighbor's home they could go to, a friend at school they could ride home with, or a hidden house key which would give them access to your home allowing them to call a parent, friend, or relative upon arrival. In case a family friend is unavailable, please have an alternate plan as well. There is no THIRD BASE when school dismisses early. Your child's safety is our utmost concern. We do not want them to be anxious should we have an early dismissal. Please help us by discussing early dismissal arrangements with your child.

Complete the "Early Dismissal Procedure" form distributed at the beginning of the year and return it to the teacher as soon as possible. Please keep phone numbers updated, and complete a new Early Dismissal form any time circumstances change.

Early Dismissal Schedule:

August 19, 2017

September 9, 2017

October 14, 2017

November 10, 2017

December 16, 2017

January 13, 2018

February 10, 2018

March 3, 2018

April 7, 2018

May 12, 2018

ATTENDANCE POLICY:

Instruction begins promptly after the tardy bell rings.

It is very important that your child be at school every day and on time. If you know your child will be late or absent please call the school by 8:30 a.m. If you do not report an absence, the Parent Link automated system will call you to ensure that you are aware of your child's absence.

The following policy is to be implemented from Kanawha County Schools 3.00, St. Bd. Policy 4110.10:

(a) Excused absence – Shall mean absences from school or individual classes due to:

(1) Illness or injury of the student requiring physician's verification.

(2) Medical and/or dental appointment which cannot be scheduled outside the school day when the absence is verified in writing by the physician or dentist.

(3) Illness of student verified by parents/guardian not to exceed three (3) consecutive or five (5) total days per semester. Verification by a physician will be required if absences exceed three (3) consecutive days.

(4) Illness or injury in family when student absence verified as essential by physician.

(5) Calamity, such as fire in the home, flood, or family emergency upon approval by the school principal.

(6) Death in the family. Limit three (3) days for each occurrence except in extraordinary circumstances. "Family" defined as mother, father, brother, sister, grandmother, grandfather, aunt, uncle, brother-in-law, sister-in-law, brother's children, sister's children, student's child(ren), or any person living in the same household.

(7) Leaves of educational value.

(8) School approved or extracurricular activities.

(9) Legal obligation with verification.

(10) Failure of bus to run.

(11) Observance of religious holidays.

Regular school attendance is crucial to school success. Parents/guardians are responsible for keeping their children in school each day. The following procedures will be used to monitor student attendance.

* Parents must call the school or send a note if a child is absent. If the school is not contacted, the absence will be counted as unexcused.

* After 3 consecutive absences or 5 total absences in one semester, a doctor's excuse must be presented.

* After 5 unexcused absences, legal notice will be served by the assistant attendance director.

* Additional unexcused absences following the legal notice may result in a petition being filed in Kanawha County Magistrate Court.

*You will be notified by the school and social worker after 5 absences.

*The social worker will review absences and tardies that exceed eight.

*Students are only allowed "5" excused illness days by parent notes to the school. The 6th and further absences are considered unexcused unless a doctor's note is provided.

* Students who come to school 90 minutes or more after the instructional day starts (8:05) will be counted as half day absent. Students that are signed out 90 minutes or more before the instructional day ends (2:30) will be counted as half day absent. The only exception is a medical appointment, which requires an excuse be brought the next day to school.

* Please be aware that suspensions from school and missing the school bus are considered unexcused absences.

Tardy Policy:

Kanawha County Schools has high expectations for students to be on Time. In an effort to support the students' learning, the following policy is being implemented for all schools:

*Five (5) tardies – phone call from the teacher

*Seven – Eight (7-8) tardies – Letter vis US mail

*Ten (10) tardies – conference with student, teacher, principal, and parent

*Fifteen (15) tardies – refer to Central Office

Out of area students risk losing their privilege to attend a school if tardiness is an issue.

Tardiness due to medical or dental appointments must have a written excuse from the doctor/dentist office.

****Parents must always come to the office and sign their child in, if tardy.**

***Students who come to school 90 minutes or more after the instructional day starts (8:05) will be counted as half day absent.** The only exception is a medical appointment, which requires an excuse be brought the next day to school.

Students Checked Out Early:

KCS discourages checking students out before the end of the instructional day. Please refrain from picking up your child before the 2:30 dismissal. No student will be excused to leave school prior to the regular hour of dismissal, except by permission of the principal, granted in accordance with requests made by the parent. Children are excused for professional appointments only. If your child must leave school early, you must come into the school building to sign him/her out. The sign-in/sign-out book is located in the main office on the counter. No child may leave the school with anyone other than their parent/guardian or those listed on the child's emergency card. **Students that are signed out 90 minutes or more before the instructional day ends (2:30) will be counted as half day absent.** The only exception is a medical appointment, which requires an excuse be brought the next day to school.

New Calendar Law/Makeup Days:

OS Days, including Spring Break, may be used as makeup days. Missed instructional days may be made up as late as June 30. Please be advised when scheduling vacations.

Student Conduct

Overbrook Elementary School will follow the Student Behavior Policy as set forth by the Kanawha County Board of Education (Reference W.Va. Code 18A-5-1 et seq.; 126 CSR 96; Title IX of Educational Amendments of 1972), and Overbrook Elementary Discipline Plan which is based on the above policy.

Parents and children are required to read and sign a form indicating that they have received and read the student behavior policy and Overbrook’s Discipline Plan (Respect & Protect). These signed forms are kept on file. See the Code of Conduct Policy in the Kanawha County Schools Handbook 2017-2018. Parents, please read this information and discuss it with your child. The principal will also discuss this policy with every student and every student will sign a form indicating they have been informed.

The following pages explain Overbrook Elementary’s Postive Behavior System, which is called “Respect and Protect.”

Overbrook Elementary Discipline Policy:

In order to maintain a safe, healthy, orderly and productive school environment, our discipline policy incorporates expectations for acceptable behavior and related consequences for violations in accordance with Kanawha County Schools and WV Board of Education codes. We will be implementing the Respect & Protect Program which is summarized on the following pages.

The task of teaching positive behavior and reinforcing character development will be encouraged, implemented and supported school-wide by all school personnel in all locations within our building and on school property, as well as on the bus. There must also be a knowing appreciation that consequences and loss of privileges or rewards will attend both poor judgment and intentional acts of misconduct.

Except where otherwise indicated in the KCS and WV Codes of Conduct, the principal has the authority to determine penalties for each offense on a case by case basis, taking into account all facts and circumstances of a violation, including the past records of any students who are involved.

Misconduct that results in an office referral will be recorded in the West Virginia Educational Information System (WVEIS), and parents will receive a copy of the WVEIS Teacher's Discipline Report completed by the supervisor. The report will be sent home with the student and/or mailed to the home address. In cases of serious disciplinary incidents, an attempt will be made to contact parents by phone and/or letter.

The faculty and staff at Overbrook believe in preserving an atmosphere conducive to learning, with consistent and respectful approaches to managing student behavior and encouraging character development. Our long term goal is that the students will become kind, respectful, responsible and productive citizens. In keeping with that goal, we recognize that student behavior is the shared responsibility of the school, student and parent/guardian.

Overbrook has a long history of students who are motivated and self-disciplined whom who enjoy supportive and involved families. Thank you for helping us to continue this tradition by working in collaboration with your child's teacher and the school. Please sign, date and return the "Verification of Student Awareness" form to school as soon as possible.

Respect and Protect:

Overbrook Elementary will be using the Respect and Protect school wide behavior system to reward those students who consistently display great behavior in our school. Through this system, our students will know exactly what behaviors are expected of them. We all want our children to come to school in a safe environment that is rich in learning. By students respecting the teachers and fellow students, more learning can take place in the classroom.

Our definition of violence is: Violence is any mean word, look, sign or act that hurts a person's body, feelings or things. No one is entitled to use violence. Violence is not tolerated at our school. As you can see, violence can begin with a mean word or look. It is important that we all address the "little things" because they can lead to the more serious behavior problems. Living by this at home also helps your child to understand it better at school. We also encourage all students to make "reports". Reporting is when you are trying to stop trouble from happening. Tattling is when you are trying to get someone in trouble. Our students can report to any staff member in order to make Overbrook a safer school.

We will be using the Behavior Identification Form (BIF) located on the following page with the students. This form incorporates the student code of conduct established by the West Virginia Department of Education. If your child brings home a BIF, you will be able to immediately see what acts he or she was committing in the classroom/school as well as what consequences were given. Students who show positive behavior will have an opportunity to participate in special events throughout the school year. If a student struggles with behavior, then appropriate interventions will take place. If we can help your child's behavior in any way, please feel free to call the school.

OVERBROOK ELEMENTARY SCHOOL – RESPECT AND PROTECT

Signature _____ Remarks _____

White copy – Parent

Pink copy – Homeroom teacher

Yellow copy – Team copy

Dress Code:

Student dress should be comfortable and in good taste. The following items of clothing do not meet Kanawha County and Overbrook Elementary codes and are considered distracting or unsafe.

1. Shirts must secure and cover all areas of the abdomen.
2. Crop tops, tube tops, spaghetti straps and halters.
3. Undergarments must not be visible at any time during any school function or activity.
4. Skirts and shorts must not be shorter than arm's length.
5. Clothing with holes.

6. Clothing advertising alcoholic beverages, tobacco products, drugs, drug paraphernalia, and/or containing inappropriate messages. Messages on any item of clothing must not disturb others, promote a negative self-image, promote violence or cause a disruption in any school classroom, activity or function.

7. Flip flops or similar type shoe that fit between the toes and are backless are considered unsafe and are not allowed at the elementary level. Sandals that go between the toes, but have a strap around the heel are permitted. In addition, high heels deemed unsafe on shoes, boots or sandals are not permitted.

8. "Baggy" shorts or pants must be worn in a respectful manner. Pants and shorts must stay up by themselves or be secured with a belt.

9. No caps, hats, scarves, toboggans, or sunglasses are to be worn in the building.

10. Body piercing is limited to ears. Earrings must be 1" inch in length or smaller.

11. No tattoos of any kind, unnatural hair color or makeup.

12. During physical education (including recess) **LACE-UP TENNIS SHOES ARE REQUIRED**. Students should bring tennis shoes for PE to school if they are not already wearing them.

If students wear any of the items above, the parent will be contacted and must bring acceptable attire to the school immediately. Repeat offenses will result in disciplinary action.

If you question a particular clothing item please call the school for verification.

Safety Information

School Emergency Information: Emergency plans are required by the WV State Department of Education-Safe Schools Act and a crisis plan has been developed for the school. The crisis plan provides information on lockdown procedures, evacuation procedures, shelter-in-place, bomb threats, and fire drills. Teachers will educate students about what to do in emergency situations and school-wide drills will be conducted throughout the year. We will notify you in advance of the first shelter-in-place and all lockdown drills. Any shelter-in-place drills after the first will be unscheduled in an effort to analyze how well we respond in these situations.

Weapons:

According to the WV Code of Conduct, a student will not possess a firearm or deadly weapon on any school bus, education building, structure, facility, and school sponsored function or in route to school. A “deadly weapon” means any device intended to cause injury or bodily harm, any device used in a threatening manner that could cause injury or bodily harm, or any device that is primarily used for self protection. For a purpose of this policy-deadly weapon also includes any instrument which is designed to be used to produce serious bodily injury or death, or is readily adaptable to such use. Examples of such weapons include, but are not limited to, pellet guns, BB guns, razors, mace, chains, pipes, fake bombs or any size knives.

Bullying, Harassment, and Intimidation-Title IX:

As required by federal laws and regulations, the Kanawha County Board of Education does not discriminate on the basis of sex, race, color, religion, disability, marital status, age, or national origin in its employment practices or in the administration of any of its educational program and activities. The same tolerance is expected regarding interactions with our students.

Bullying is a **repeated behavior** projected onto the same victim over a period of time. If a your child reports bullying or harassment we will investigate the situation and reports will be filed if/when necessary. Disciplinary consequences may ensue for those students involved in bullying and harassing others.

Classroom and School Visitation:

Parents and guardians are encouraged to volunteer at school and are welcome to observe in classrooms, if scheduled in advance. When doing so, we ask that parents and guardians conform to the school's expectations of maintaining a safe, orderly learning environment, free from distractions.

It is the policy of Kanawha County Schools that ALL visitors must first sign in at the office and receive a visitor's badge/pass, for appropriate identification, before entering any area of our building, classrooms, or before speaking with staff or students.

This policy is expected to be strictly enforced in order to ensure the safety of our students and employees. When special classroom activities or school-wide events are held at Overbrook, teachers will be provided with sign-in sheets and will be responsible for obtaining the signatures of visitors.

ALL visitors at Overbrook Elementary must:

1. Report to the office first.
2. Sign in on the visitor's log book.
3. Receive a visitor's badge/pass.
4. Return to the office to sign out and turn in the visitor's badge/pass before leaving.
5. Be respectful of the school environment and established policies.
6. Understand that conferences regarding your child should be scheduled in advance.

Parents and visitors are asked to not interrupt the learning process in the classrooms by standing in the hallways, or visiting the classrooms, during the instructional day unless prior arrangements have been made with the teacher and principal.

To minimize disruptions, the secretary will assist in getting messages or items to your child, or your child's teacher, once the school day has begun and classes are in session.

Schools are obligated to cooperate with DHHR/CPS and law enforcement requests to speak with students. No other persons from outside agencies will be permitted to visit with your child (therapists, counselors, etc.) unless both the parent and the agency complete the proper paperwork.

Parental Custody Issues:

In cases where custody is vested with only one parent, or where visitation rights are limited, the school must have copies of the divorce papers or restraining orders specifying custody rights. School personnel will respond according to the specific orders within the court documents presented. Copies of restraining orders must be filed promptly with school officials and renewed as needed. Expired orders will not be honored.

Information regarding the orders will be divulged only to those personnel responsible for your child's supervision. The papers will be kept in your child's confidential file, with a copy in the principal's office. Court orders will be changed only through the legal process. The school will not respond to verbal requests for changes of such orders.

If your child is living with someone other than parents or a legal guardian, an "Authorization of Care" form must be completed by the legal guardian, and notarized by a notary public, giving the caretaker temporary authority for care of the child.

School Social Services:

Life is full of challenges for both children and adults. How we cope with those challenges can affect the amount of physical and emotional well being we enjoy as an individual and as a family, on a daily basis. Everyone in life experiences challenges in their lives at one time or another. Even when seemingly only one person within the family is having problems, the other family members often feel the affects. Sometimes children and/or parents need new skills in order to learn coping techniques or to make needed positive changes in their lives. We encourage you to call the school social worker for referral assistance.

Medical & Health Information

Medication:

When medication is necessary for a child's well being it is usually possible to schedule administration times at home. Always check with your child's physician before asking the school staff to administer medication to your child. We are asking for your cooperation when it is necessary.

Kanawha County Schools' Administration of Medications policy allows students to take medications at school only if it is absolutely necessary in order for the students to attend school and learn. Please follow these regulations when your child must take medications at school:

Send the required written order from the physician. The order should include dosage instructions and the time the medication must be given. Written permission from the parent must also be given.

For medications that need to be given for longer than 21 days, an "Administration of Medication" form must be completed and signed by the physician and signed by the parent or guardian. This form may be obtained from the school nurse.

The medication must be delivered to school in the original container. Prescription medication must be labeled clearly and accurately by the pharmacist or physician.

Over the Counter (nonprescription) medication must be delivered to school in the manufacturer's original container and must be clearly labeled with the student's name.

***All medications must be accompanied by an order from the physician except for the Over the Counter medications listed below.**

These medications must be accompanied by a note from the parent or guardian that gives permission to administer these medications, and they must be delivered to school in the original container. These medications will be administered according to the manufacturer's directions for up to three school days. After three days, an order from the physician will be required.

* Ibuprofen medications such as Advil and Motrin

* Acetaminophen medications such as Tylenol

- * Calamine lotion

- * Simple cough drops that contain only menthol or pectin

All medications must be brought to school and taken from school by an adult. Medications will not be sent home by students. Empty bottles may, however, be safely transported home by students.

This policy is in place for the safety and protection of your child. As a parent or guardian, you always have the additional option of coming in to the school to administer medications to your own children.

Thank you for your cooperation in adhering to these regulations. If you have additional questions, you may contact our school nurse, Belle Haddad, on Mondays and Wednesdays at 304-348-6184.

You may also contact Kanawha County Schools' Health Services office at 348-6694

EMERGENCY CARD/ILLNESS AT SCHOOL:

On the first day of school, your child is given a student emergency medical information card. If your child becomes ill or injured at school, the information on this emergency card is vital for the proper care of your child. Therefore, it is very important that you complete and return the card to school with your child as soon as possible. Advise us of the specific people who can pick up your child. Parents are responsible for informing the school throughout the year of address and phone number changes as soon as they occur. If you are not picking up your child, the person who will be picking him/her up should be listed on the emergency card.

You will be asked to pick up your child when...

- * Their temperature is 100 degrees or more

- * They have vomited

- * They have head lice (when returning to school, students must be checked in the office before returning to class. Parents must bring them to the office and wait while they are checked.)

- * Their eyes are red, itching or have drainage

- * They have a rash that looks contagious

- * They have an infected, draining wound

- * Refer to the infectious disease policy that follows

Infectious Disease:

Fifth's Disease - Students not excluded from school unless he/she has a fever of more than 100 degrees.

Fever - Must be fever free (no fever 100 degrees or more) for 24 hours before returning to school.

Chicken Pox - Excluded for five school days and all blisters are scabbed over.

Hand, foot and mouth - Excluded for five school days and all blisters are scabbed over.

Lice - May have two excused absences.

Scabies - Must have doctor's note that includes diagnosis, treatment and return date to school.

Strep Throat - Must be treated with antibiotic plus no fever for 24 hours.

Mononucleosis - Must have doctor's note with diagnosis and return date to school.

Influenza - Must be fever free for 24 hours.

Pink Eye - Must have 24 hours of medication before return to school.

Ringworm on Scalp - Must have doctor's note with diagnosis and treatment. Must have 24 hours of oral medication before returning to school.

Ringworm on Body - Must be on topical anti-fungal medication for 24 hours before returning to school. Lesion must be covered while at school.

Gastroenteritis - Must have absence of vomiting and/or diarrhea for 24 hours before returning to school.

Impetigo - Must have doctor's note with diagnosis and treatment and be on medication for 24 hours before returning to school. Lesion must be covered at school.

Herpes Simplex - Cover blister(s) if possible. If more than two lesions and they are spreading from the lip area, a doctor's note will be needed to return to school.

Head Lice and Scabies, etc.- If your child contracts head lice, scabies or some other type of disease that can be easily spread to others, please contact the office. We do not release names of students who have these diseases, we simply ask that parents be on the look-out for symptoms. Head lice, scabies, etc. are just as easily passed on to others as a cold or virus, so parents should not be embarrassed if their child is infected. It is the policy, however, of Kanawha County Schools that students are to be treated before returning to school. Also scabies must be under control with medication before students are allowed back in the classroom. These rules are for everyone's health and protection.

Physical Education:

All students are required by state law to have physical education. We have a full-size gymnasium and a full-time instructor for our students. Children are required to wear tennis shoes for Physical Education. If you need assistance in purchasing shoes, please see the school social worker. Girls should wear shorts under their dresses for physical education classes. If your child cannot participate for any reason, a note of explanation or a doctor's slip should be sent to the teacher.

Recess and Healthy Snacks:

New Kanawha County School policies require recess each day. We schedule 15 minutes for each grade level class. In addition, parents and school staff are encouraged to promote healthy snacks for students. Please do not send sugary types of snacks. If you provide a snack for your child's class please do not send donuts, oatmeal cakes or candy. Also, we have students with food allergies. You should check with the teacher before sending peanut products to school. In addition, no energy drinks are permitted at school. These are not considered nutritional. No student can be denied the regular 15 minutes of recess. Students will have the opportunity to earn extra recess. Not all students may earn this extra time.

Communication

Newsletters: Teachers will send home weekly newsletters with important information including upcoming events, homework assignments, and tests. Please look for this in your student's folder.

Weekly Robo-Call: Mr. Comer will send a Robo-Call every Sunday at 6:00 p.m. to inform parents of weekly school events and important information. Please make sure your current phone number is on file in the office to receive this call.

Schoology: All teachers will be using the Schoology learning management system which serves many purposes. Schoology is a live system that allows you to see your child's grades and progress at any given time. Furthermore, you can have ongoing communication with your child's teacher through the email system too!

Address and Phone Changes:

Please advise the school of any address, bus or phone changes. It is critical we have this information at all times.

Conferences:

We believe that parent/teacher conferences are of the utmost importance. Prompt attention to problems is much better than prolonging an existing misunderstanding or situation that should be improved. Conferences may be scheduled at the request of the teacher or parent when the need arises. No parent or teacher should be asked in the presence of others any pertinent information about any child or group of children. We feel that the personal integrity of each individual should be protected. **If you have a concern about something regarding your child, please talk with the child's teacher first.** If a resolution is not reached, then please contact the principal.

Use of the Telephone:

Students are requested not to use the telephone at school except in emergency situations. Students are not called to the telephone unless there is an emergency.

Cell Phones/Tablets:

Use of cell phones is prohibited during the school day. If an adult sees a student with a cell phone or a tablet during the school day, the device will be taken by the adult and given to an administrator. The parent will be contacted and the device will be held in the office until the parent can pick it up. Repeated offenders will be subject to disciplinary action.

Grading, Homework, and Make-Up Work

Grading Scale and Student Assessment:

Quality assessment provides a method for determining if students have mastered the learning outcomes as set forth in the WV College and Career Readiness Standards and the 21st Century Learning Skills and Technology Tools.

| Grade | Grade Average Percent |
|----------------------------|------------------------------|
| A = mastery of subject | 93 -100 |
| B = above average work | 85 - 92 |
| C = average achievement | 75 - 84 |
| D = below average work | 65 - 74 |
| E = poor work, non-mastery | below 65 |
| S = satisfactory | |
| N = needs improvement | |

Homework Expectations

Homework assignments are initiated early in a student's educational experience, and should represent additional practice and reinforcement of a skill. Questions regarding homework assignments and expectations should be discussed with your child's teacher.

| | |
|--------------|------------------|
| Kindergarten | 15 minutes daily |
| 1st – 3rd | 30 minutes daily |
| 4th – 5th | 1 hour daily |

Make Up Work:

There is no substitute for being present in the classroom. However, students will be given an opportunity to make-up all possible assignments when they are absent. If a child is to be absent for an extended period of time, and you wish to pick-up assignments for him/her, please call the school. Teachers need 1 school day (24 hours) to gather the assignments, which can be picked up the following day. Likewise, your child will have equal number of days to turn in work. If they are out a day, they will have a day to make up the work. Teachers are very willing to work with you as needed.

Educational Leave:

Will only be granted if students develop and present a report to their class/principal. Parents may request student work for trips may be requested ahead of time but can not be guaranteed.

Midterm Progress/Academic Difficulty Reports To Parents:

Midterm progress/academic difficulty reports to parents are to be sent to the parent immediately on detection of a student's lack of satisfactory progress, and must be sent no later than the fifth week of each nine-week period. A copy of the form(s) must be retained at the school.

The following page indicates the grading periods, mid-terms, and report card dates.

First Nine Weeks - 44 Days in First Nine Weeks

Begins August 14, 2017

Midterm September 14, 2017

Ends October 13, 2017

Report Cards October 20, 2017

Second Nine Weeks - 43 Days in Second Nine Weeks

Begins October 17, 2017

Midterm November 17, 2017

Ends December 22, 2017 (End of 1st Semester - 87 days in semester)

Report Cards January 5, 2018

Third Nine Weeks - 48 Days in Third Nine Weeks, pending Snow Days

Begins January 2, 2018 (Second semester begins.)

Midterm February 2, 2018

Ends March 9, 2018

Report Cards March 16, 2018

Fourth Nine Weeks - 45 Days in Fourth Nine Weeks, pending Makeup Days)

Begins March 12, 2018

Midterm April 20, 2018

Ends May 23, 2018 (Last Day of School and End of Second Semester - 93 Days in Second Semester)

TOTAL DAYS 180

Additional Information

Classroom Parties, Special Events, Balloons, Gifts:

The school offers two parties per year. These parties are typically limited to thirty minutes each. The school staff will plan instructional events and activities related to other special occasions during the school year. All parties and special celebrations must be safely conducted within the guidelines of Kanawha County Schools.

Schools are required to adhere to USDA Dietary Guidelines for all foods served on campus. This includes foods served during school parties or celebrations. Food and beverages distributed at school must meet the nutritional guidelines established in the Wellness and Nutrition Policy Series C57 of Kanawha County Schools. Recommendations of healthy snack guidelines may be found on the KCS web site and in the KCS handbook.

School parties for individual students are prohibited. If party invitations, such as for birthdays, are distributed at school, an invitation must be given to all children in the class. We should be considerate of the feelings of those who may otherwise be left out.

School policy states that items not be delivered to students. Deliveries cause disruption of class, hurt feelings, and safety concerns. Please do not have items sent to the school for your child. We can not have birthday parties or celebrations for students.

Students should not receive flowers, balloons, stuffed animals, baskets, etc. during the school day. These items cause disruption in the classroom, they are not permitted on the school bus and there is no place to store them until dismissal. If such items arrive, the office will send them back. Please send such items to your homes only.

Games, Toys, Cards, Pets:

Toys, games, and collectibles are to be left at home. The only exception for toys or games will be special occasions when permitted by teachers. Third Base students may bring them for after school use but they must remain in backpacks during the school day. No pets of any kind are allowed in school.

SAT:

The school has a Student Assistance Team (SAT) comprised of the Counselor, Principal, Learning Specialist, Speech Teacher, and Classroom Teacher. This team meets with parents to review any academic and behavioral problems the child may be having. The SAT Coordinator is Emily Patterson, our counselor.

Lost and Found:

The school maintains a lost and found department where articles may be claimed. It is advisable that parents mark their children's clothing for easy identification. Please check the lost and found as soon as an item is missing. At the end of each 9 weeks, clothing, etc will be donated to charity.

PTO/School Fundraising:

The PTO and/or school may announce fundraising events throughout the year to raise funds for essential programs, equipment, teacher supplies and materials, as well as other prioritized budgetary items. Information will be sent home with your child concerning these activities. Please be reminded that Kanawha County Schools' policy on fundraising prohibits students from being permitted to sell door-to-door. Any student selling door-to-door **MAY NOT** participate in any prize program or any future "fund-raising event". This is the Kanawha County School's Policy.

Financial Obligations:

The school will usually accept a check for a student's field trip, fund raiser, yearbook, etc., but if there is a problem with the first check being returned for insufficient funds, then cash will be expected for the remainder of the school year for any purchase. A receipt will always be provided when cash is accepted by the office. Our bank has a charge for returned checks and this charge will be the responsibility of the party that wrote the check. The office will call for you to pick up the returned check and payment for the service and insufficient funds fees will be expected at that time. If the fees are not paid then this could be taken to magistrate court to obtain the outstanding fees owed to Kanawha County Schools (Overbrook Elementary) and the school's bank Court fees would be included in the settlement amount.

School Supplies:

Any type of school material that is considered “integral and fundamental” to public education such as textbooks, paper, pencils, etc. must be provided by the school. We cannot require parents to purchase these types of supplies. Items such as backpacks, tissues, baggies, hand sanitizer, etc. need not be provided by the schools but no child may be penalized if their parents choose not to purchase them. It is acceptable for teachers to provide parents with lists of items that they may wish to purchase for their own children. Lists of this nature will inform parents as to the developmentally correct supplies to buy (wide ruled vs. college ruled paper, for example). The law does not prohibit teachers from developing lists of items that parents may wish to purchase and/or donate for use by the classroom as a whole such as tissues, hand sanitizer, art supplies, etc. **Please note that backpacks with wheels are not permitted at Overbrook.**

Requests for New Teacher:

Requests for your student to be placed in a specific classroom will not be accepted. This practice is unfair and hinders the grouping process. The staff at Overbrook has every student’s best interest at heart and thoughtfully work to create well balanced classrooms. Please respect this process.

Parent & Community Involvement Policy:

Research shows that children have an advantage in school when their parents continuously support and encourage their school activities. Please feel free to volunteer to serve on PTO/LSIC. We meet 4 times a year. A committee of parents oversees classroom assistance, library assistance, obtaining resource persons, homeroom parents, communications with business partnerships and other volunteer activities. Volunteers are needed to be home room mothers, run off teachers’ papers, assist with the book fair, assist with field day, and jump rope for heart. Please be aware that the school’s strategic plan is available in the office for continual review, feedback, and updates. We encourage you to view it at your leisure and make suggestions on ways our school can improve.

Field Trips:

Grade level teachers will plan field trips for students. The field trips will be of educational value and relate to the WV Next Generation Standards. All students will be permitted to attend. All school rules apply on the trips. If a student misbehaves or has behavioral issues, a parent may be asked to accompany their child the next time. The student may be denied the privilege of future field trips if they misbehave while on a trip. No student will be permitted to participate in a field trip without a signed permission slip delivered to the school prior to the trip.

No student will be denied field trip opportunities because of inability to pay field trip fees. If students are suspended from the school bus, they may not ride a school bus for field trips or school functions.

Business Partners:

Our school is fortunate to have six business partners to offer support and help. We feel privileged to work with Pritchard Mining Company, WesBanco South Hills, Goodwin & Goodwin, LLP, Mountain Haus Properties, Star USA Federal Credit Union, and Andrews Floor Covering. Please support our business partners as we work with them to make our school a better place.

Transfers:

If your child is transferring to another school, please give us advance notice with the name and address of the new school. We realize the importance of speed in sending student records to the new school and make every effort to expedite the transfer process quickly.

School Bus Information: All students, whether they ride a bus regularly or not, are required to complete the “Star Player” bus safety registration form. This will give them the opportunity to ride a school bus on class field trips. Please help them understand the school bus rules found in the Star Player brochure.

The bus drivers will conduct emergency drills with all students. Riding a school bus is a privilege. If students do not conduct themselves properly, the privilege can and will be revoked in order to preserve safety for all.

All bus trips are videotaped and audio taped from time of departure until return. If there is any question regarding student behavior, the bus drivers and school personnel may use the videotape to determine appropriate action.

Third Base After school Program: The Third Base after-school enrichment program is a service provided for children from kindergarten through 5th grade who need or want supervised activities between the hours of 2:30 p.m. -5:40 p.m. Monday through Friday. Children are provided recreational, cultural, and academic opportunities as well as free time, all with adult supervision. For more information, contact Mrs. Terry Gillepsie at (304) 348-6179. Applications for the program can be obtained from the Overbrook main office. See the secretary Ms. Angie Kinder.

School Meals:

Free meals will be available again this year to ALL students. A federally subsidized hot breakfast and lunch program is offered daily. Well-trained kitchen staff and lunchroom supervisors ensure a suitable environment for eating. Food-handling, sanitation, and student behavior guidelines are strictly enforced.

Please be aware that it is against federal food service guidelines to add any item to a school hot lunch. Students should not bring drinks from home to have with their hot lunch. Students may bring their lunch from home. Soft drinks and junk food are discouraged.

All students receive a lunch number. The number is entered into the computer each day that the child eats. Parents receive a bill at their home address, if applicable, at the end of each month for the number of student meals eaten.

Authorized adults may join their child for lunch, but must call ahead to reserve a meal. Lunch visitors must pay in advance of eating, and follow all other visitor's procedures.

All adults must pay for meals or drinks consumed in the school cafeteria.

Adult breakfast is \$3.00 and lunch is \$4.25.

Extra milk, juice & water are .45 CASH ONLY.

Menus are distributed at the end of each month for the upcoming month. Menus can also be found on the Kanawha County Schools website – www.kcs.kana.k12.wv.us

Breakfast Served:

7:30 am – 8:05 am
